

updated 7-09	Applicants MUST enter one of the options below in "ApplyYourself"	
Specializations /Concentrations		
Specializations with large AE component	Aerodynamics & Applied Aerodynamics	Dynamics & Design of Spacecraft & Systems
	Aerospace Propulsion	Flight Dynamics & Control
	Computational Fluid Dynamics	Multifunctional Materials & Smart Structures
Specializations with large ME component	Applied Mechanics	Experimental Mechanics
	Bio Mechanics	Fluid Dynamics
	Combustion	Heat transfer
	Design & Manufacturing	Mechanics of Materials
	Dynamic Systems & Control	Micro, Nano & MEMS
	Energy Conversion & Systems	Vibration & Acoustics
