

Tests/Exam/Homework Problems for ABET Assessment Data Report Format

Retain at least one complete copy of excellent, average and poor work
Submit Data Report Form for each ABET Outcome assessed

Course: _____ Section: _____ Semester: _____

ABET Outcome being assessed (give outcome letter designation a, b, c,
etc.): _____

For this course section, include all assessment data for this outcome on one form

| *Item | ** % of students answering correctly |
|-------|---|
| | |
| | |
| | |
| | |
| | |
| | |

*Include a brief description of what each item (test questions, exam questions, homework assignments, project work or other assignments) is intended to test. At least one item is required for each ABET Outcome having minor or Major relationship with the course. Note: a problem or assignment may have elements that address more than one outcome.

"Your assessment of how well the students as a whole completed that task.

A test question, homework problem, etc. may meet more than one outcome
