

CORPORATE PARTNERS PROGRAM

WHY PARTNER WITH MAE?

The Department of Mechanical and Aerospace Engineering at North Carolina State University is one of the country's largest and most prominent departments with a focus on research, outreach and producing great engineers. The **MAE Corporate Partners Program** is designed to develop and sustain strong collaborations between the business community and the Department. The focus is on fostering ongoing communication and interaction between students, faculty and our corporate partners to help shape the Department's future direction. The unrestricted funding generated by the program allows us to continuously improve our educational programs and student experiences.

MAE Corporate Partners Program enjoy a portfolio of benefits. There are three distinct recognition categories:

Platinum Sponsorship – \$10,000

Gold Sponsorship – \$5,000

Silver Sponsorship – \$2,500

For more information about the **MAE Corporate Partners Program** or any other partnering opportunities, contact:

Mike Walsh | Director of Development
