Who We Are

We manage forests and manufacture products that make the world a better place. We're serious about safety, driven to achieve excellence, and proud of what we do. With multiple business lines in North America, we offer a range of exciting career opportunities for smart, talented people who are passionate about making a difference.

We know you have a choice in your career. We want you to choose us.

WOOD PRODUCTS PROFESSIONAL DEVELOPMENT CANDIDATE

We are committed to growing our team and developing future leaders through the Weyerhaeuser Wood Products Professional Development Candidate program. This role is designed to provide an exciting and interactive 12 month development experience at one of our many Wood Product manufacturing facilities located in North America.

Through this role you will:

- Navigate an individualized, structured work plan offering rotational experiences spanning our entire manufacturing value stream
- Work directly with an assigned mentor
- Develop your safety leadership skills
- Learn and develop front line leadership skills
- Provide individual contributions through metrics, reliability and process improvement projects
- Receive and provide active feedback
- Participate in teaming experiences with other PDC's
- Advance into alternative roles to meet company needs following successful completion of the program

JOB REQUIREMENTS

To qualify, you must be a graduate of or graduating from Industrial Engineering, Mechanical Engineering, Wood Science, Business or related studies, possess a strong drive to develop both your technical and leadership skills, demonstrate strong academic achievement **and be willing to relocate**. Prior internship and/or co-op work experience is desired.

You must possess a strong work ethic, be able to use computers and software, and pass a pre-employment drug test required of all Weyerhaeuser employees.

Successful candidates will also have:

Commitment to working safely - High initiative (self-motivated) - High integrity - Positive attitude
Creativity in problem solving - Excellent teamwork skills - Good time-management abilities
Ability to initiate and follow through on projects - Excellent communication skills

Weyerhaeuser is an equal opportunity employer. We are committed to taking affirmative action to employ and advance in employment women, minorities, qualified individuals with disabilities and protected veterans.

OUR VISION:

Working together to grow a truly great company for our shareholders,
customers and employees

OUR VALUES:

Safety / Integrity / Citizenship / Sustainability / Innovation
