

MAE Pre-Registration Advising Instruction Sheet

Group 3 (EFY Students)

Please read the following instructions thoroughly and be sure to follow each step as described to avoid any delays in having your pre-registration advising hold removed.

STEP 1: Print out a hard copy of the attached MAE Pre-Registration Advising form.

STEP 2: Print out a hard copy of your Planner from the MyPack Portal. Use the Planner tool to plan your courses for the next two regular semesters (fall, spring) and summer (if applicable).

- You must plan a minimum of two (2) regular semesters, but you are encouraged to develop a plan for all of your remaining semesters as an undergraduate.
- Include all courses you plan to take, even GEPs and health and exercise studies.
- Include the appropriate co-op courses for semesters when you are planning to co-op (COP 100, COP 200, etc.), if applicable.
- Include the NCSU equivalents of courses you plan to take while studying abroad or visiting another college during the summer to take transfer courses, if applicable.
- Delete all “old” semesters from your planner (“old” semesters = all semesters before the upcoming semester or summer).

STEP 3: Print out a hard copy of your Degree Audit from the MyPack Portal.

- Be sure to do this AFTER you have completed your plan in the My Planner to ensure your Degree Audit reflects your current plan.

STEP 4: Attend a group advising session. Bring your completed advising documents.

- The days and times are provided in the email you were sent regarding pre-registration advising.
- There are only THREE (3) sessions, so be sure to pay attention to the dates.
